

AFSAN Don Bosco India, with Child Rights Foundation and Shishu Mandir, organized “Makkala Habba – Christmas Festival of Togetherness” on 20th December 2025 in Bengaluru for 500 children from six government schools near Whitefield. The programme opened with flag hoisting and lighting of the kuthuvillaku, and was inaugurated by Fr. Varghese Pallipuram, SDB. Children enjoyed outdoor games, a motivational Kannada video, carol singing, cultural performances, and a festive meal. The event concluded with felicitation of officials, distribution of Christmas gifts and prizes. Rooted in Salesian values, the celebration spread joy, dignity, and hope among communities it served, with warmth.
